MARCH, 2011

Updates:

The Guardians held their first quarterly meeting on February 23, 2011. Everyone was very excited to discuss the many wonderful opportunities to improve Central Park. Several projects have been completed this past year. In January the City awarded VMC Landscaping the contract for annual grounds maintenance of the park. Our first memorial tree will be dedicated on Arbor Day. Fish have been added into Lakes 4 & 5. and a Purple Martin house has been installed.

For the coming year we hope to have many exciting programs and events for our Guardian supporters to participate in.

In April the Guardians will do a fundraiser during the Concerts in the Park series. We would like to sell tickets for a VIP section with a table and chairs on the patio at the Summit. They can purchase food and drinks as well.

If you would like to volunteer to help with one of the upcoming events, please contact me at 972-237-8107.

Upcoming Events:

Our first Purple Martin House was installed on February 21st.

A big thank you to Mrs. Fregoe and the Purple Martin Landlords of North Texas (PMLNT) for finding us this Purple Martin house so the Guardians could purchase for Central Park.

If you would like to learn more about Purple Martins the Summit will be hosting a program on March 4th at 11:00 am.
